

GENERAL OVERVIEW OF THE ECT & UPDATE ON THE MODERNISATION PROCESS

Dr. Hava Yurttagül, Office of Legal Affairs
Energy Charter Secretariat

BACKGROUND

- European Charter Treaty (1991) – Political declaration
- Energy Charter Treaty (1994) – Legally binding
- International Energy Charter (2015) – Political declaration

PURPOSE OF THE ENERGY CHARTER TREATY

This Treaty establishes a legal framework in order to promote long-term cooperation in the energy field, based on complementarities and mutual benefits, in accordance with the objectives and principles of the Charter.

Article 2 ECT

"SOFT" REGIME

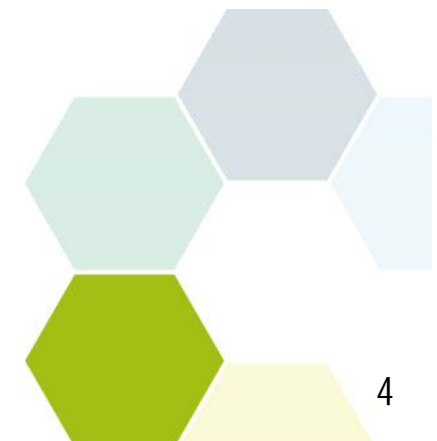

PRE-INVESTMENT PHASE

- Access to capital
- Transfer of technology
- Best-efforts in the pre-investment phase
- Energy efficiency + minimize harmful environmental impact

"HARD" REGIME

POST-INVESTMENT PHASE

- Trade provisions
- Transit provisions
- Post-investment protection
- Based on enforceable dispute settlement

GOOD OFFICES OF THE SECRETARIAT

- Conflict Resolution Centre
 - environmental disputes between Contracting Parties
 - trade disputes between Contracting Parties at least one of which is not a party to the GATT / WTO. Assist panels and provide secretarial and technical support.
 - application of the Early Warning Mechanism or the Transit Conciliation mechanism
 - good offices and mediation in relation to investment disputes or to disputes between Contracting Parties regarding the interpretation or application of the Treaty
- Model Instrument
 - Guiding tool for an effective and comprehensive management of International Investment Disputes

MODERNISATION OF THE TREATY

The conference

establishes and mandates the Modernisation Group to start negotiations on the modernisation of the Energy Charter Treaty, with a view to conclude negotiations expeditiously. The negotiations will take into account the identified list of topics (CCDEC2018 18) and suggested policy options (CCDEC2019 08) and will follow the attached procedure and timeline (including any subsequent amendment by the Modernisation Group).

CCDEC 2019 10, 6 Nov. 2019

- List of topics for **modernisation of the ECT** ([CCDEC 2018 18](#)) :

- | | |
|--|--|
| <ul style="list-style-type: none">✓ Pre-investment✓ Definition of ‘charter’✓ Definition of ‘economic activity in the energy sector’✓ Definition of investment✓ Definition of investor✓ Right to regulate✓ Definition of FET✓ MFN Clause✓ Clarification of ‘most constant protection and security’✓ Definition of indirect expropriation✓ Compensation for losses✓ Umbrella clause✓ Denial of benefits | <ul style="list-style-type: none">✓ Transfers related to investments✓ Frivolous claims✓ Transparency✓ Security for costs✓ Valuation of damages✓ Third party funding✓ Sustainable development and corporate social responsibility✓ Definition of ‘transit’✓ Access to infrastructure (including denial of access and available capacities)✓ Definition and principles of tariff setting✓ REIO✓ Obsolete provisions |
|--|--|
